

# Sun And Cross: From Megalithic Culture To Early Christianity In Ireland

Beginning with the ancient sun-oriented monuments of the megalithic age, Jakob Streit traces an unbroken spiritual culture in Ireland from the time of its stone circles and dolmens through the Celtic era and into the period of the early Christian stone crosses. The beginnings of Irish Christianity lie in the dark past, though scholars agree that it did not emanate from Rome. Streit argues that a quite independent form of .Beginning with the ancient sun-oriented monuments of the megalithic age, Jakob Streit traces an unbroken spiritual culture in Ireland from the time of its stone.
